Introduction to Wellspring

Founded in 2003, Wellspring is a counselling and training centre seeking to restore hope, develop resilience and facilitate positive change in the lives of children and adults suffering from emotional distress.

Our objectives are to:

- provide affordable, professional, psychological support to adults and young people in emotional distress.
- Promote good mental health through education and training.
- Be recognised as a centre of excellence within our field.

We do this through:

- providing one-to-one counselling for children (4-18 years) and adults from our centre,
- providing counselling to young people in local high schools,
- facilitating supervision for clinical and pastoral professionals,
- coordinating support groups and education on several topics within mental health,
- providing affordable training to individuals, businesses, churches and schools on how to prevent poor mental health.

Our heart is to see an end to darkness and distress in people's lives. Our Christian faith motivates us in the belief that all can experience freedom and hope from their experiences. Whilst we are a Christian organisation, our services are open to all. We welcome volunteers and staff from a variety of backgrounds who are sympathetic to our Christian values.

In 2018, we moved into our current premises, which are enabling us to steadily grow. These premises provide 9 counselling rooms (two designed for play therapy), a training room and comfortable space for staff and volunteers.

In 2021, we supported over 700 individuals. We are currently offering approximately 140 counselling sessions per week from our centre, both online and face to face.

We are passionate about removing all barriers to individuals accessing support, which is why we offer an affordable service. This means we ask clients to contribute to the cost of their sessions an amount they feel able to, this is from as little as £5 per session. Therefore, some of our income is sustainable coming from client fees, training events and contracts. We then generate the rest of our funding through community fundraising, campaigns, events, churches, group and individual donations, corporate sponsorship, applications to grants and foundations and renting out rooms in our building.

Our Team:

The current staff team is made up of 22 part-time members (Executive Director, Therapeutic Lead, Head of Fundraising, Operations Officer, Finance Officer, HR Manager, Training & Education Coordinator, Counselling Team Manager, Administrator, Receptionist, Administrator /Receptionist, Communications Officer, 2 Adult Counsellors, 3 Schools Counsellors, 2 Young People's Counsellors, 2 Young People's Group Workers and last but not least a Cleaner).

Our volunteer team is made up of over 40 volunteers working in a variety of roles including counsellors, welcomers, gardeners, trustees, fundraisers, event support,...

As our current Counselling Team Manager is retiring, and the demand for our services continues to grow, we are taking the opportunity to expand our staff team with two new management positions to work collaboratively in running our adult and children & young people's services. We are recruiting for these posts at the same time to ensure the post-holders complement one-another and between themselves can cover the full range of requirements. Whilst it is not a job share, there is flexibility in the roles depending on who applies.
